Soror Val,

As my term of president of the Delta Omicron Chapter of Alpha Kappa Alpha Sorority Inc. comes to an end, I would like to take the time to thank those who have assisted me in great ways throughout my journey in this position. Hints the reason why I am writing you.

Soror, three years ago, you assisted me in developing the “Pillow talk program” that metamorph into a signature program that touched hundreds of college aged women on the campus of Northern Illinois University. Each year, you have blown our minds with your wisdom, creative approach, and your dedication to increasing our program and touching our lives in ways that we could never imagine. In the midst of motivating, encouraging, and speaking life into our guest, you have also mentored us, the members of the Delta Omicron Chapter, through your dedication to preparation and your willingness to incorporate all of our ideas into your presentation.

Soror, without a doubt, you have been a gift to the Delta Omicron chapter and to the women of Northern Illinois University. You provided us with more than you could ever imagine. You instilled hope into the hopeless, love into the lost, and wisdom into us all. For that alone Soror, I say thank you, but for your time, professional execution, and successful outcomes I say well done.

Sincerely,

Jasmyne Portee
