

Biography **NIKI GLASS**

Niki Glass is a dynamic, creative, devoted, wife and mother She was born and raised on the Westside of Chicago, Il. by a single mother. Seeing how hard we can make our own lives helped her to be come self-motivated to make a difference. One of her first jobs at the age 15 was working at a daycare for children with special needs. Niki was also the assistant coordinator for the Rock of Ages Baptist Church Liturgical Dance Team in Maywood, Il. Where she was able to help young girls ages 13-17 express themselves through praise dance.

As a loving mother of seven, 5 of those being girls understood that it was her job to make sure they were aware of a few things. One being the importance of education and how to live on this journey called life. She aspires to encourage all youth and help them realize their full potential. Her goal is to help educate and develop them with the skills that they will need to be successful in college and as young adults.

Currently Mrs. Glass in working towards earning her Undergraduate Degree in Finance which she expects to have in 2014 from DeVry University. She has worked in Finance for 17 years along with 3 years in Education. Aside from crunching numbers in 2008 Niki started her own business , Niki & Co. Events and Designs. Niki & Co. focuses on planning, designing and coordinating, social, corporate, and fundraising events. Future plans are to open her own venue where she can not just offer her services but a location for events as well.

Niki is determined to show young ladies that the picture society paints of women, isn't reality.

If you can dream it, you can have it.
